## Grow Cook Eat

Willi Galloway

Conscious foodies will love this easy-to-follow guide on creating garden-to-table meals — with tips on growing and storing your own harvest, plus delicious recipes

From sinking a seed into the soil through to sitting down to enjoy a meal made with vegetables and fruits harvested right outside your back door, this gorgeous kitchen gardening book is filled with practical, useful information for both novices and seasoned gardeners alike. *Grow Cook Eat* will inspire people who already buy fresh, seasonal, local, organic food to grow the food they love to eat.

For those who already have experience getting their hands dirty in the garden, this handbook will help them refine their gardening skills and cultivate gourmet quality food. The book also fills in the blanks that exist between growing food in the

A screenshot of an audiobook player interface. At the top left is a '&lt; Back' button. At the top right are icons for settings, a moon (night mode), a list, and a bookmark. Below these is a progress bar showing '0:00:00' on the left, '0%' in the center, and '-12:20:39' on the right. The main area displays the audiobook cover for 'PRIDE &amp; PREJUDICE BY JANE AUSTEN' with a 'DUKE classics' logo at the bottom. Below the cover are three circular buttons: a skip back button with '15', a play/pause button, and a skip forward button with '15'. At the bottom, there is a 'Chapters' section with '3m →' and a timeline with markers at 0:00:00, 0:01:00, 0:02:00, 0:03:00, 0:04:00, and 0:05:00.
