The undersigned (“We”) are providing this letter in connection with BKD’s audits of our financial statements as of and for the year ended December 31, 2020 and your audit of our compliance with requirements applicable to each of our major federal awards programs as of and for the year ended December 31, 2020.

Our representations are current and effective as of the date of BKD’s report: June 25, 2021.

Our engagement with BKD is based on our contract for services dated: September 8, 2020.

Our Responsibility and Consideration of Material Matters

We are also responsible for adopting sound accounting policies; establishing and maintaining effective internal control over financial reporting, operations, and compliance; and preventing and detecting fraud.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.
18. The fair values of financial and nonfinancial assets and liabilities, if any, recognized in the financial statements or disclosed in the notes thereto are reasonable estimates based on the methods and assumptions used. The methods and significant assumptions used result in measurements of fair value appropriate for financial statement recognition and disclosure purposes and have been applied consistently from period to period, taking into account any changes in circumstances. The significant assumptions appropriately reflect market participant assumptions.
19. We have not been designated as a potentially responsible party (PRP or equivalent status) by the Environmental Protection Agency (EPA) or other cognizant regulatory agency with authority to enforce environmental laws and regulations.
20. With regard to deposit and investment activities:
 - a. All deposit and investment transactions have been made in accordance with legal and contractual requirements.

22. The supplementary information required by the Governmental Accounting Standards Board, consisting of management's discussion and analysis, has been prepared and is measured and presented in conformity with the applicable GASB pronouncements, and we acknowledge our responsibility for the information. The information contained therein is based on all facts, decisions, and conditions currently known to us and is measured using the same methods and assumptions as were used in the preparation of the financial statements. We believe the significant assumptions underlying the measurement and/or presentation of the information are reasonable and appropriate. There has been no change from the preceding period in the methods of measurement and presentation.
23. Due care has been exercised in the preparation of the introduction and statistical sections of the District's comprehensive annual financial report and we are not aware of any information contained in those sections of the comprehensive annual financial report that is inconsistent with information contained in the District's basic financial statements and notes thereto.

- a. We acknowledge our responsibility for the presentation of the supplementary information in accordance with the applicable criteria.
 - b. We believe the supplementary information is fairly presented, both in form and content, in accordance with the applicable criteria.
 - c. The methods of measurement and presentation of the supplementary information are unchanged from those used in the prior period.
 - d. We believe the significant assumptions or interpretations underlying the measurement and/or presentation of the supplementary information are reasonable and appropriate.
 - e. If the supplementary information is not presented with the audited financial statements, we acknowledge we will make the audited financial statements readily available to intended users of the supplementary information no later than the date such information and the related auditor's report are issued.

25. We acknowledge the current economic volatility presents difficult circumstances and challenges for our industry. Entities are potentially facing declines in the fair values of investments and other assets, declines in the volume of business, constraints on liquidity, difficulty obtaining financing, etc. We understand the values of the assets and liabilities recorded in the financial statements could change rapidly, resulting in material future adjustments to asset values, allowances for accounts and notes receivable, net realizable value of inventory, etc., that could negatively impact the entity's ability to meet debt covenants or maintain sufficient liquidity.

We acknowledge that you have no responsibility for future changes caused by the current economic environment and the resulting impact on the entity's financial statements. Further, management and governance are solely responsible for all aspects of managing the entity, including questioning the quality and valuation of investments, inventory, and other assets; reviewing allowances for uncollectible amounts; evaluating capital needs and liquidity plans; etc.
