Add a Page to your Home Screen
1. Bring up the iPad’s keyboard, either in an app or using the search feature.

2. Tap on a key if you want to enter the standard letter or symbol.

3. To enter the “flick” symbol, touch a key and then pull downwards.

4. As you pull down, the symbol will replace the letter on the keyboard and it’ll be entered into the text field.
Reverse Camera & Video

AirDrop. Share instantly with people nearby. If they turn on AirDrop from Control Center on iOS or from Finder on the Mac, you’ll see their names here. Just tap to share.
Spotlight Search

In addition to searching your iPad, Spotlight now shows suggestions from the Internet, iTunes, App Store, movie showtimes, locations nearby, and more. You can change this in Settings. Learn more…
