

Libby vs. Overdrive for eBooks and eAudiobooks

- Compatible with iOS, Windows 10 and Android only
- Streamlined for ease of use
- Is great for single device users
- Can remember multiple library cards in the app
- **Same great collection as Classic Overdrive**

- Compatible with iOS, Android, Kindle, Windows, PC and Mac
- Can keep track of items across multiple devices and apps
- Robust accessibility, search and browse features
- **Same great collection as Overdrive-Libby**
